Learning is a continuous process which never ends to acquire knowledge.

No thief however skillful can rob one of knowledge, and that is why knowledge is the best and safest treasure to acquire.

In keeping with the school's policy of continuous upgradation of knowledge and skills, our teachers attended various workshops and seminars organised by school

and others so as to improve their academic transaction skills and to update their capabilities.

Our School Magazine INFOCUS is the window to the monthly activities done in the school. It is a magazine of literature and knowledge for our boys and girls. Our school magazine not only contains activities done but also provides us with **YOU ARE YOUR MIND** series of articles on personality development by our chairman sir Sri MN Raju garu which are being highly appreciated by parents. Also it provides us with the articles of all subject experts to enhance and enrich the quality of our students' subject, awareness, General Knowledge and Social skills. School magazine widens the knowledge and highlights the success and achievements of the school students.
